## Training for Employees of Notified Bodies

### Five webinars about the CPR

Dear notified bodies!

TechSec has the pleasure to invite you to a series of training sessions about the work of notified bodies for The Construction Products Regulation.

The training is primarily aimed at assessment personnel of notified bodies carrying out third party tasks as described in the Construction Products Regulation, and from whom a thorough understanding of the CPR is expected.

The training consists of five webinars to be held using Microsoft Teams. Participation is free of charge. Pre-registration is not required.

The webinars will consists of a combination of oral presentations supported by slide shows and exercises for the participant. Each of the webinar will also leave room for questions and answers.

It will be beneficial to have the Mentimeter app installed at a cell phone or tablet in advance, to be able to follow the session and instructions on the PC screen in the meantime.

The programme of the five sessions will be as follows:

- 11<sup>th</sup> November, 15.00- 16.30 Central European Time - CPR in General
